

Downloading e-books to your device

Follow these steps to download e-books to your mobile device.

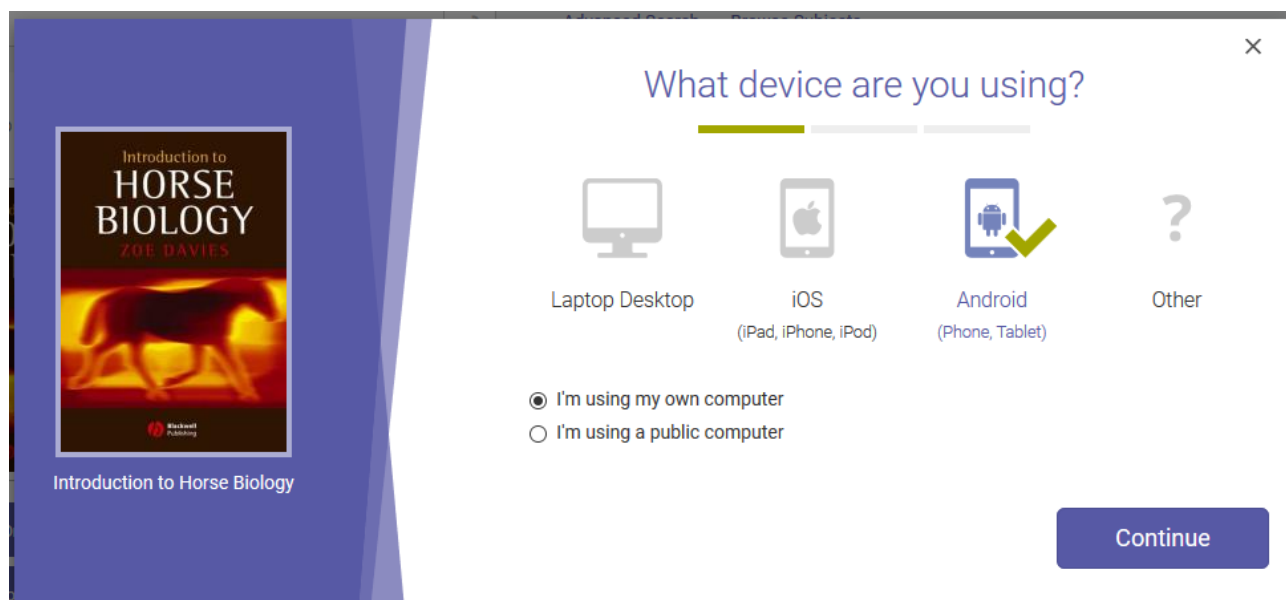

Step 1: Device Selection

Select **Download Book**:

The screenshot shows three options in a dark blue interface. The top option is 'Read Online' with a book icon. The middle option is 'Download Book' with a download arrow icon. The bottom option is 'Saved to Bookshelf' with a book icon and a checkmark.

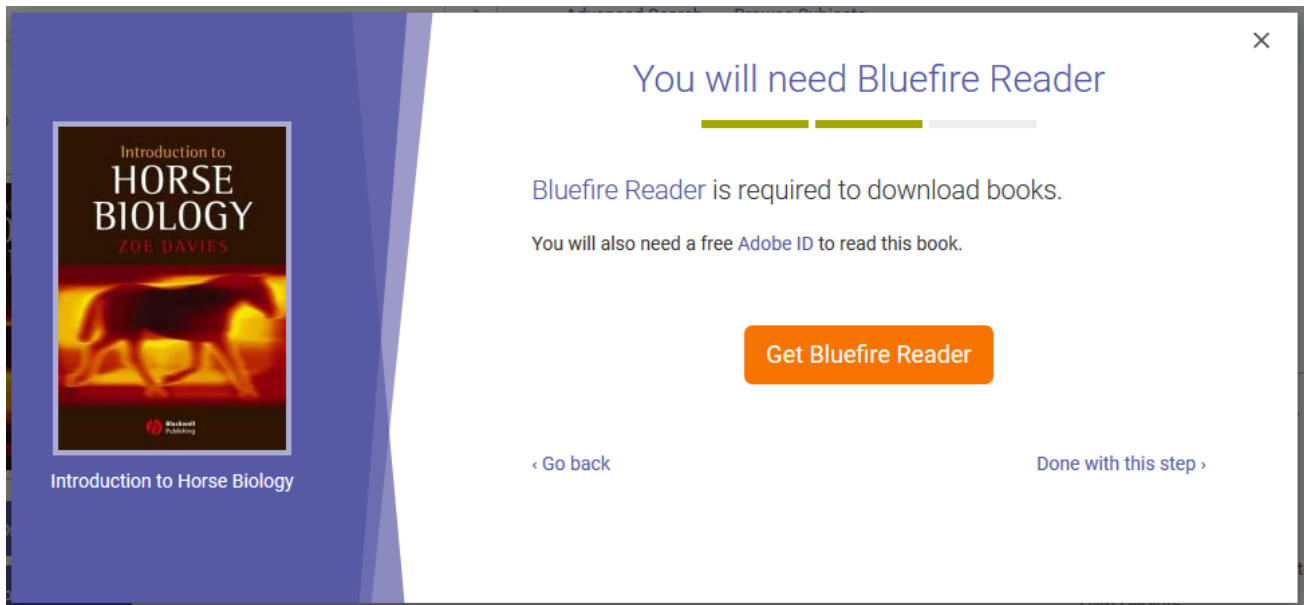

Select iOS or Android device and **Continue**:

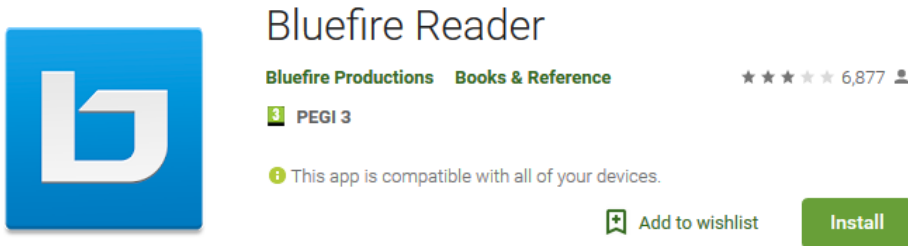

The screenshot shows a dialog box titled 'What device are you using?' with a close button (X) in the top right corner. On the left is a book cover for 'Introduction to HORSE BIOLOGY' by ZOE DAVIES, published by Blackwell Publishing. The main area has four device options: 'Laptop Desktop' (with a monitor icon), 'iOS (iPad, iPhone, iPod)' (with an Apple logo icon), 'Android (Phone, Tablet)' (with an Android logo icon and a green checkmark), and 'Other' (with a question mark icon). Below these are two radio button options: 'I'm using my own computer' (selected) and 'I'm using a public computer'. A blue 'Continue' button is at the bottom right.

Step 2: Bluefire for Android

You will be instructed to download the Bluefire reader to access the e-book:

Download the Bluefire Reader:

Step 3: Loan

After installing the Bluefire Reader, select how long you wish to loan the book for and select **Download**:
