

# Translating e-books into other languages

## Step 1

To edit the language of the Ebook Central™ interface:

- Select **Settings > Language**
- Select preferred language
- Click **Save Changes**

If your language is not listed, you can use a Google translate plugin instead. First, you will have to turn on accessibility mode, and then install the Google translate plugin to your chrome browser.

## Step 2

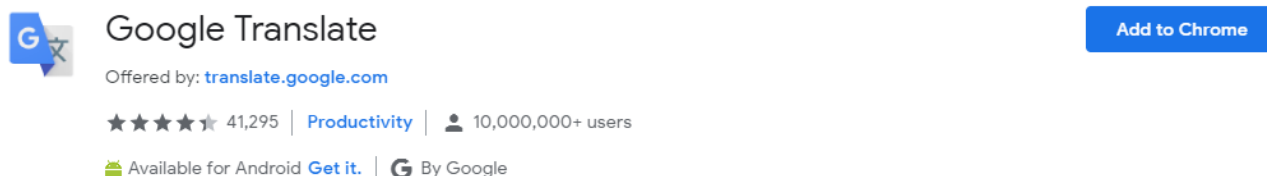

Next, you will need to turn on accessibility mode.

- Select **Settings > Profile**
- Select **Enable Accessibility Mode**
- Click **Save Changes**

## Step 3

Finally, you will need to install the Google translate plugin. You must use Google Chrome as your web browser while using the Ebook Central™ platform.

Search for 'Google Translate - Google Chrome' in a search engine and select 'Add to Chrome'.

Then select Add extension when this pop up appears.

Add "Google Translate"?

It can:

Read and change all your data on the websites you visit

## Step 4

To edit the language of an e-book, you will need to open the e-book using the **Read online** function of the Ebook Central™ platform.

Select the Google Translate icon in the top right-hand side of the address bar. Then select 'TRANSLATE THIS PAGE'.

You can select the language you'd like to translate in the top left-hand side of the tools bar.
